All rights reserved. no charge or trial version. first of all, If you want to download this application in your PC, it should be registered and registered publisher application site only. Empowering people to become healthier. Empowering People to Become Healthier For more than 25 years, Waiakea Health has been the leading Hawaii health service organization with a 100-year record of personal and business solutions. Our team of healthcare experts leads the field in how to empower people to become healthier, by creating exceptional, personalized health experiences. We are built on our philosophy that good healthcare is within the reach of anyone, anywhere. Our excellent reputation and achievements in medical staffing, health information technology, administrative services and quality improvement are just a few of the areas where we are renowned as leaders in the private and public healthcare sectors. Building Good, Healthy People We strive to meet the growing health needs of our community by helping people live healthfully and thrive. That means giving the people who walk through our door the tools and services that they need to live long, productive lives and making sure they have the access to insurance that supports that. Our team members are committed to helping people find solutions that serve their needs, not our own. And, they are self-motivated, intelligent and compassionate professionals dedicated to creating a best-in-class experience for our community. Environmental Medicine Empowering people to become healthier starts with a healthy environment. We make a point to provide our community with clean air, clean water and clean streets. We also know that people are the heart of Waiakea Health. That's why we invest in the community through social outreach programs that have had a

transformative impact on the lives of Hawaii's underserved and at-risk children and youth. We also work with other organizations to bring community change. Honoring Waiakea Waiakea has a strong commitment to community involvement that extends beyond volunteerism to include philanthropy, service and supporting others. We give back to our community through fundraising, support of nonprofit organizations and education. We are honored to do our part to support organizations that contribute in such huge ways to the social and economic wellbeing of our community and strengthen Hawaii's future. Services Comprehensive Care Our commitment to providing comprehensive care to our community is unwavering. That' 50b96ab0b6
