Very thorough. Covers many business planning aspects. Am now onto Professor Teaches Accounting Fundamentals. I recommend getting this using the bundle option. You get much more bang for your buck that way. Highly recommended software.. Very thorough. Covers many business planning aspects. Am now onto Professor Teaches Accounting Fundamentals. I recommend getting this using the bundle option. You get much more bang for your buck that way. Highly recommended software.. This tutorial is around 5 hours and is very thorough. It is detailed enough that you may wish to go through it many times as it covers just about everything including securing loans and grants. I recommend getting it in the 2017 bundle so that you get more bang for your buck. The reason is that this product is included in both the 2017 and the 2018 bundles and the 2017 bundle is about 33% cheaper.. This tutorial is around 5 hours and is very thorough.
