Title: Warhammer 40,000: Armageddon - Soundtrack

Genre: Strategy

Developer:

Flashback Games, The Lordz Games Studio

Publisher:

Slitherine Ltd.

Franchise:

Warhammer

Release

English

Wouldn't it be possible to use the excellent Dawn of War's soundtrack in other 40k-licensed games ? In Warhammer 40,000: Armageddon, there are very few tracks and all of them (except track 04) are completely flawless. Erf, this game really needs some more musics.. Wouldn't it be possible to use the excellent Dawn of War's soundtrack in other 40k-licensed games ? In Warhammer 40,000: Armageddon, there are very few tracks and all of them (except track 04) are completely flawless. Erf, this game really needs some more musics.. good background music. good background music
